

# DEVELOPING SOCIAL CONNECTIONS

**COMMUNITY**

helping people  
engage with nature  
to feel better in  
mind & body

65% DEVELOPED  
NEW FRIENDSHIPS

“I HAVE MADE NEW  
FRIENDS AND I IMPROVED  
MY ENGLISH AS WELL! WE  
ARE ALL FRIENDS TOGETHER”

GROUP PARTICIPANT

# DEVELOPING SOCIAL COMMUNITY CONNECTIONS

Our projects connect people and places, developing positive relationships and connected communities. We work across Bradford district and beyond on programmes for children, adults, groups and businesses, building communities who are proud of where they live, learn and work.

Get Out More uses local woodlands, parks and natural spaces to bring people together, be active and feel good, working towards our vision: **communities and nature growing healthier together.**
